**CC:**  
**Subject:** Dimock - Field Screening indicated on COCs

Rich,  
The following field screening will be performed on the samples prior to shipment.

**Water Quality Instrument**

- pH
- Specific Conductance
- Dissolved Oxygen
- Oxidation Reduction Potential
- Temperature

**Field Screening Kits**

- Turbidity
- Alkalinity
- Ferrous iron
- Dissolved sulfide

As requested, if we encounter data from our screening which leads us to believe the sample is highly contaminated we will provide notification to the lab.

Thanks,

Suddha Graves
